The Grace Foundation

This year, the Meadows Turkey Bowl and the Grace Foundation have partnered up to appeal to all those who have participated in the Race With Grace. Mary Grace was a family friend and inspiration to the Meadows Family and Turkey Bowl community. Her life inspired us to give to the needy battling cancer. Any donation you make under the Race With Grace Tab will go 100% directly to the needy battling cancer. We need your help now more than ever, as the pandemic has taken its toll on fundraising.

The LARGEST SINGLE DONOR will receive a grand prize to be named later and posted on our website.
